**DR. JAMES SNEAD PASSES AMERICAN BOARD OF
SPECIALITIES CERTIFICATION EXAM IN ORTHOPEDICS**

ATTLEBORO, MA, May 9, 2008 — Sturdy Memorial Hospital announces that James Snead, MD, of Sturdy Orthopedic & Sports Medicine Associates, recently passed the American Board of Specialities Certification Exam.

Dr. Snead earned a medical degree from Indiana University School of Medicine. He did his residency training at the Ochsner Clinic in New Orleans, and completed a sports medicine and arthroscopic surgery fellowship at Union Memorial Hospital in Baltimore. Dr. Snead worked with the Baltimore Ravens during their 2004-2005 football season. He has a special interest in working with young athletes, and is qualified to manage bone, joint-related and sports injury issues for this age group as well as adults.

He is currently accepting new patients. Appointments can be made by calling **508/226-2213**.

Sturdy Memorial Associates (SMA) is a network of 52 physicians who understand the importance of high quality, local health care. SMA physicians are also consistently rated higher than national patient satisfaction standards for the care they provide.
